TOYOTA ALLSTARS

Get out your footies, your footy jumpers or any old piece of paper. Yesterday, many of our students from Years 4 to 8 had the opportunity to get autographs from some favourite AFL players.

Sponsored by Cobram Toyota, the players demonstrated a range of skills, including handball, kicking and marking. They also answered questions and students lined up for photos and autographs.

The visiting players included Brett Deledio, Mark Ricciuto, Matt Maguire, Scott West and Adem Yze.

The presentation was hosted by ex-players, Danny Frawley and Brian Taylor.

MUSEUMS AND MORE

Last week Year 7 and 8 students met at school at 6am to go to Melbourne for a fun and exciting Japanese and Science day. On the bus we talked, slept or watched a movie. After three and a half hours of travelling we arrived at Federation Square.

There were lots and lots of fabulous paintings and sculptures and lovely staff at the Ian Potter Gallery. We went around in groups of 4, 5 or 6 and looked at all the beautiful paintings.

After 30 minutes we left to go to the Immigration Museum. It was

a lovely 10 minute walk with lots of fantastic buildings to see on the way, including the Eureka Tower, the tallest building in the Southern Hemisphere.

Outside the Immigration Museum we were given a booklet with some questions to answer. Inside we learnt about olden day firemen uniforms from Japan. Did you know that the firemen soaked their kimonos in water to stop them heating up too quickly? We also learnt how to put on kimonos. This was a hands-on activity.

In the afternoon we went to the Planetarium at Scienceworks.

The day was a great success.

STARS AND ROCKETS

Last Wednesday the College held a stargazing night. Family and friends came along and enjoyed a sausage sizzle cooked by Year 12 students.

People saw a fuel rocket launched, and watched as Year 8 launched the rockets they had been working on in Science. They also gazed at the stars when the clouds and rain finally cleared.

Thanks to all the teachers who made this possible, especially Mr. and Mrs. Smith. It was a most enjoyable night.

CHAMPIONS AND PBs AT SDSSA

Yesterday at the SDSSA Athletics Carnival in Shepparton, our team of 8 students performed extremely well. Special mention goes to Ruby Lane, (U 17 Champion), our U 17 Girls Relay Team and to Sam Gough who jumped a personal best of 165 cm.

COLLEGE DAY

Last Thursday we celebrated our annual College Day with a whole school mass followed by a shared morning tea.

Feast Day (or College Day) is the day when we reflect on Christ Our King and the fact that our school is named after Him. We thank Him for giving us the opportunity to have all our family, our home and the love in which we have been brought up.

SAKURA SAKURA

From left: Michelle, Alex and Olivia

Last Friday, three Year 7 and 8 Intermediate Japanese students performed their dance 'Sakura Sakura', meaning Cherry Blossoms. The girls were dressed in kimonos tied with a wide belt called an *obi* and they used fans 'sensu' in the dance.

Here are some responses from Junior S class:

I loved the fans - Tristan It was cool - Nicholas and Ellisse

I loved their dance - Ellie

HAPPY ADVENTURES

Mrs. Leanne Cator is leaving our school at the end of Term 3 to embark on a new chapter in her life where she will be based in Albury. Leanne has been working as an aide at CKC for seven years, supporting literacy and numeracy needs of students and helping classroom teachers. We appreciate the role that Mrs. Cator has played in our school and wish her every success in the adventure that lies before her.

Mrs. Seccull is taking her well-earned long-service leave during Term 4, the first of our teachers to do so. Have a fabulous time, Mrs. Seccull.

REFLECTION

Somebody once said that there are only two kinds of people in the world; there are those who wake up in the morning and say, "Good morning, Lord," and there are those who wake up in the morning and say, "God Lord, it's morning."

It doesn't matter what time of day it is in our part of the world, it is a new morning for those in other parts of this planet.

As we rejoice in the gift of this new day, so may the light of your presence. O God, set our hearts on fire with love for you; now and for ever. Amen
