YEAR 10 MANGA

Manga is a Japanese drawing style. The year 10 Japanese students were asked to draw and write a Japanese comic strip for our writing assessment. We drew at least 10 frames with location sentences to match them.

My comic strip (right) depicts a little girl, Mie, whose friends pick on her down the street. She goes home and seeks comfort from her bear cub. The bear cub cheers her up and she is happy again.

Meg Elliott.

My comic strip (left) depicts a girl who has fallen for a baseballer. She then goes to find him and ends up being hit in the face by his bat. He helps her up and she thinks he is going to tell her something. But he doesn't.

YEAR 12S STUDY PERSONAL IDENTITY

Last week the Year 12s began a study of the film *Witness*, and the theme of Identity and Belonging.

We collected 12 items that best described how we see ourselves, and we analysed the things in life that have influenced who we are and what we may become. Most of us brought music, books, movies, family photos, games, sport items, Eskrima (A martial art) and photos, as well as school related items such as a calculators.

From this we managed to identify some strong influences in our lives. We were able to write a short list of influences relevant to us. These included parents, social networks, education, media,

religion, hobbies/interests, technology, money, personal experiences, overall outlook on life (positive/negative), attitude (confidence/self esteem/body language), growing up, and society/government in general. Overall, we felt that these were fairly important factors for our

development as a person and for feeling that we belong to a community.

A key thing that we identified as being essential, is to be true to ourselves.

LUNCHTIMES ARE FOR FUN AND RECREATION

Thanks to Mr O'Dwyer for organising some cricket activities at lunchtime. It's a good time for all ages to play together.

EXPRESSING OURSELVES WITH LINO-CUTS

Faces from left to right by: *Cain Hanley, Yr 7, Sam Anderson, Yr 9, Jonathon Mantovani, Yr 8 and Hughie Lane, Yr 9.*

In Drawing and Painting Elective we have been doing a line of prints where we drew our picture, carved it out from lino, (very, very sharp knives as Sam and Georgia found out), and then painted over them in ink. We then printed them onto paper.

Our results were mixed as we range in levels of ability. (It is a mixed age-group class.) Above are some examples that show our expertise in carving, painting and following instructions.

We are now doing grey-lead shadings of dark and mythical places.

RIVER SKILLS-KAYAKING AND CANOEING

In Environmental Cadets a small group of students from Year 7 to 9 are participating in a canoe/kayaking class down at Thompson's Beach. It is leading up to a river camping trip in Term 2. We will be canoeing or kayaking (depending on our skill level) with Tocumwal as our destination. We will have an overnight camp at a beach along the way.

We are all enjoying this class very much and we can't wait until Fridays come around.

Amabel Grinter, Yr.7

CONGRATULATIONS

Congratulations to the following students who were the first to complete the Premier's Reading Challenge:

- Lily Brunec
- Benjamin Lock
- Ethan Smith

THANKYOU

Thanks to Paul and Oliver Grinter who mended several broken chairs from the library. Your work is much appreciated.
